| 5. | <p>Any other comments</p> <ul style="list-style-type: none">✓ These comments are to assist with improvements only, much like the assessment above, and not related to the substantive content that has helped me to mature tone my thinking and skills. The website and/or correspondence could provide more in terms of prior for newcomers to SANDEE. Perhaps could the one-to-one sessions be divided into 1-a to d (above) to ensure coverage of some of these issues, noting that C, e.g. would take 90% of the discussion time but the discussant could quickly cover a, b and d also.✓ More handouts should be given by the resource persons.✓ Overall it is a good workshop, please keep it up! Many thanks to SANDEE for inviting us, as I was dreaming to be a fishery resource economist.✓ Resource persons could give us time because of SANDEE, who otherwise as for there so busy! Thank you SANDEE!✓ By attending this workshop, I got lots of input about how to formulate a good proposal. I hope this type of workshop helps a lot to systematize research proposals.✓ I am grateful to the management of SANDEE. Infact I am highly indebted especially to Dr. Priya, Anu for providing us an oppportunity for improving our ability to learn more.✓ You have done a good job, thanks for the initiation.✓ I am thankful to SANDEE for providing me such precious opportunity to learn and enhance my capacity.✓ It helped a lot to explore new ideas. |
